Binary Primitivism Zyklus

Binärer Primitivismus

*Eine Richtung in der digitalen Kunst
die vereinfachende Darstellung anstrebt
und sich dabei
an der Ästhetik von Maschinen orientiert*

*Der Binäre Primitivismus strebt an
eine künstlerische Rückkehr zu
konzeptioneller Purheit und zu vor-Postinternet*

[Subscribe](#)[Past Issues](#)

In der jetzigen romantisch-puristischen Periode

Neo-Biedermeier

die als Reaktion auf die digitale Revolution

der 1990er Jahre

Solche Tendenzen erweitert hat

ließe sich die erste Affinität der Natur

mit der Maschine

und der Logik der Protokolle

selbst ausmachen

Binary Primitivism Manifesto 2017

manifestum primitivismum binarii MMXVII

Binary Primitivism Cycle

Binary primitivism

A direction in digital art

The simplistic representation

And at the same time

At the aesthetics of machines

Binary primitivism strives

An artistic return to

Conceptual pureness and to pre-postinternet

And often even pre-social media production

And publication methods

In the present romantic-purist period

Neo-Biedermeier

In response to the digital revolution

The 1990s

Such tendencies expanded

Would be the first affinity of nature

With the machine

And the logic of the protocols

Yourself

Binary Primitivism Manifesto 2017

This Press Release is the third of a series of releases to reposition UBERMORGEN beyond action. Beyond action lies truth, and truth is (pure and simple) repeatable, verifiable patterns. We call those truths 'laws' or 'rules'. Simultaneously such patterns can appear as ephemeral, aesthetic and delusional: Binary Primitivism, creating a state of insecurity, filling the void and creating a bubble between on and off, between zero and one.
